[RVIP Lounge & Karaoke Cabaret at SXSW Interactive 2008](#)

posted by [Scott Beale](#) on Monday, March 17th, 2008

Another highlight of [SXSW Interactive 2008](#) was the [RVIP Lounge & Karaoke Cabaret](#), a non-stop mobile party organized by [Jonathan Grubb](#) and [Kestrin Pantera](#), sponsored by [Rubyred Labs](#) and [Dipity](#). The RVIP was parked at our [16 Bit party](#) and it was omnipresent during the conference. People would randomly hop on for a ride around Austin, [singing bad Karaoke](#), [eating hot fudge sundaes](#) and ending up at [destinations unknown](#).

[Tony Pierce](#) has a great [write-up on the RVIP](#) in the LA Times Web Scout blog.
